

THE INDIAN PUBLIC SCHOOL®

**Cambridge Professional Development
Qualifications**

**Cambridge International Certificate of
Teaching and Learning
(CICTL)**

What are Cambridge PDQs?

The Cambridge PDQs are professional development programs involving practice based learning. The qualifications are awarded by the Cambridge Assessment of International Education (CAIE). The candidates are assessed based on their portfolios of evidence of learning, practices and reflections.

Who are the qualifications for?

Cambridge PDQs are for practicing teachers and education leaders. The qualifications are relevant to any general education and learning contexts.

Eligibility Criteria- Candidate Requirements:

- Candidate should be a full time faculty member of an educational institution.
- Candidates must have a minimum of 1 year of classroom teaching experience.
- Candidates must have sufficient competence in English language to apply for the qualification.

PROGRAM INFORMATION

Module 1

Certificate

Module 2

Diploma

Module 3

TIPS Currently offers Cambridge International Certificate of Teaching and Learning.

The program (Module 1) consists of 3 aspects- Guided learning, Individual/ Collaborative Learning and Work based learning.

At the end of the module, candidates have to complete an assignment adhering to all the guidelines to avail the certificate.

Upon successful evaluation, certificates will be issued for the candidates.
